Connect, we believe
the best therapy
happens where
children learn and grow
every day—at home, in
childcare, and within
their community.

Join a team that
partners with families,
celebrates every
milestone, and
empowers caregivers
to help their children
succeed long after the
therapy session ends.

Work alongside one of Pennsylvania's Early Intervention Master Coaches.

Grow your clinical skills through mentorship in a nationally
recognized parent coaching model while making a meaningful
difference in the lives of local children and families.

**"The greatest gift you can give a child is helping them
discover what they are capable of."**
